

# Accessories *Ancillary Bariatric Products*

## **Everything you need to care for your bariatric patients with dignity**

RecoverCare's wide assortment of bariatric accessories provides the ability to create customized suites depending on individual needs which is critical to patient recuperation as well as caregiver safety. We offer wheelchairs, commodes, walkers, trapezes, shower chairs and other items engineered to support patients from 600 to 1000 lbs. Most items have adjustable positioning which offers comfort and ease of use while increasing patient mobility.
